Mechinagar-14, Jhapa, Nepal

PROFESSIONAL SUMMARY

Detail-oriented and research-driven Computer Science Educator with a Master of Information Technology (MIT) background and nearly two years of secondary-level teaching experience. Proven track record of translating complex technical concepts—ranging from complex queries and topics — into engaging, accessible lessons. Adept at bridging theoretical frameworks with practical, industry-standard applications. Committed to fostering critical thinking, guiding projects, and contributing actively to the academic and technological growth of students.

STRENGTHS AND EXPERTISE

- Advanced IT Frameworks & Academic Depth
- Information Security Fundamentals
- Analytical Engineering Mindset
- Adaptability & Operational Leadership
- Programming Cores (C, OOP, Python)
- Continuous Learning & AI Adaptation

PROFESSIONAL EXPERIENCE

Secondary Teacher Himalaya Secondary School	2025-Present
Lab Assistant Himalaya Secondary School	2023-2025
Computer Operator Pradhan Diagonstic Center	2018-2019

EDUCATION BACKGROUND

Master in IT-Third Sem Purbanchal University of Science and Technology Biratnagar, Morang	2025-Present
Bachelor of Computer Engineering Madan Bhandari College of Engineering Urlabari, Morang	2019-2024
+2 Technical Stream (Computer) Himalaya Secondary School Damak, Jhapa	2016-2019
